

ABKCO

History: ABKCO is an acronym for the Allen B. Klein Company. It was formed in the early 1970s as a successor of the Cameo-Parkway label. There have been many releases on this label even into the 2000s with re-pressings of the Rolling Stones catalogue.

Mono/Stereo identification: No known differences other than the Mono/Stereo identification wording on the label. Of Course, all mono releases are re-issues of earlier material.
